

# Petition to Renew a Current Exemption Under 17 U.S.C. § 1201

## 8th Triennial Rulemaking

Please submit a separate petition for each current exemption for which renewal is sought.

**NOTE:** Use this form if you want to renew a current exemption without modification. If you are seeking to engage in activities not currently permitted by an existing exemption, including those that would require the expansion of a current exemption, you must submit a petition for a new exemption using the form available at <https://www.copyright.gov/1201/2021/new-petition.pdf>.

If you are seeking to expand a current exemption, we recommend that you submit both a petition to renew the current exemption without modification using this form, and, separately, a petition for a new exemption that identifies the current exemption, and addresses only those issues relevant to the proposed expansion of that exemption.

### **ITEM C. EXPLANATION OF NEED FOR RENEWAL**

Provide a brief explanation summarizing the continuing need and justification for renewing the exemption. The Office anticipates that petitioners may provide a paragraph or two detailing this information, but there is no page limit. While it is permissible to attach supporting documentary evidence as exhibits to this petition, it is not necessary. Below is a hypothetical example of the kind of explanation that the Office would regard as sufficient to support renewal of the unlocking exemption. The Office notes, however, that explanations can take many forms and may differ significantly based on the individual making the declaration and the exemption at issue.

**ITEM C. EXPLANATION OF NEED FOR RENEWAL** *(CONT'D)*

## **ITEM D. DECLARATION AND SIGNATURE**

The declaration is a sworn statement made under penalty of perjury, and must be signed by one of the petitioners named above.

**I declare under penalty of perjury under the laws of the United States of America that the following is true and correct:**

- 1. Based on my own personal knowledge and experience, I have a good faith belief that but for the above-selected exemption's continuation during the next triennial period (October 2021 – October 2024), technological measures controlling access to relevant copyrighted works are likely to diminish the ability of relevant users to make noninfringing uses of these works, and such users are likely to rely upon the above-selected exemption during the next triennial period.**
- 2. To the best of my knowledge, there has not been any material change in the facts, law, or other circumstances set forth in the prior rulemaking record (available at <https://www.copyright.gov/1201/2018>) that originally demonstrated the need for the above-selected exemption, such that renewal of the exemption would not be justified.**
- 3. To the best of my knowledge, the explanation provided in Item C above is true and correct, and supports the above statements.**

### **Name/Organization:**

*If the petitioner is an entity, this declaration must be signed by an individual at the organization having appropriate personal knowledge.*

### **Signature:**

*This declaration may be signed electronically (e.g., "/s/ John Smith").*
